Sheriff Initiates "Operation Sandbag" with Jail Inmates

Sheriff Rick Staly has inmates at Bunnell Fire Station 62 located at 1601 Old Moody Boulevard, Bunnell, to help fill sandbags. There are plenty of sand bags available at this location. Self-serve sand is available at Fire Station 92 on Airport Road but at this location you will need to bring your own bags.

"If you are still in need of sand bags, head to the Bunnell Fire Station and let the inmates do the labor for you," Sheriff Staly said. "They will fill the bags and load them into your vehicle."

This service will be provided all day on Friday as long as weather permits and sand is available.
