### **Flagler Warriors Football and Cheer League** **Seeking Sponsorship for 2017-2018 Season**

The Flagler Warriors Football and Cheer League is in their second year with the Flagler Sheriff's Police Athletic League. This is not an ordinary sports program. The core values are Honor, Discipline, Courage, Respect and Service.

The Warriors were founded by veterans with a mission to serve. By coaching, leading, and mentoring, veterans are able to inspire children and parents. Their mission is to teach Flagler County youth football and cheer skills, as well as leadership tools that will serve them for a lifetime.

Football and cheer are the sports, but behind the scenes, each child attends leadership and character building classes taught by military veterans.

In addition to the football and cheer seasons, the program offers four camps per year during the off-season. The camps, called Boot Camps, focus on skills and drills.

“This is a great program to get children involved in not only football and cheer programs, but also in leadership and character building,” Sheriff Rick Staly said. “This program was started by one of our Commanders, Steve Brandt, at the Sheriff’s Office and he and the other volunteers put their heart and soul into this program and the kids who attend. This is a program that I am proud of and it’s a great character building opportunity for the kids who are a part of it. I hope you join us in helping our kids.”
