Users who download the free app are given immediate access to all features including Mobile Inmate Search, Sex Offender Search, Crime Mapping, Send a Tip, and more. Throughout the week, FCSO will be highlighting each key feature on their Facebook and YouTube pages with short introduction videos.

"We're always looking for new ways to reach out to the community and this App was the next step," Sheriff Rick Staly said. "The FCSO App will help us keep the community informed and will also allow the community to send us tips. Together we're making Flagler County a safer place to live and visit."

The Flagler County Sheriff's Office App is available to download today on the Google Play store and the App Store.
