St. Patrick Day Weekend Ends For Some **With a Trip to the Green Roof Inn**

This past weekend residents all over Flagler County celebrated St. Patrick's Day by wearing green and eating traditional Irish fare. But some Flagler County residents ended their Irish holiday in the Green Roof Inn.

While the rest of us enjoyed the Celtic celebration at home or out on the town, the men and women of the Flagler County Sheriff's office worked to deter drunk driving, aggressive driving, speeding and maintain the safety of the community. During the St. Patrick's Day weekend the Flagler County Sheriff's Office conducted a total of 421 traffic stops and made seven arrests- one for Driving under the influence.

"Overall the St. Patrick's Day weekend in Flagler County was success," Sheriff Staly said. "It not 'luck' that ensures the safety of our residents, it's the hard work and dedication of the men and women at our Flagler County Sheriff's Office. But, it might help that our uniforms are green too."
