FCSO Welcomes Five Interns for the Summer Internship Program

Summer may be right around the corner, but for five members of the Flagler County Sheriff's Office (FCSO) Internship Program, school is still in session!

This summer, FCSO is taking on five interns as part of the Summer Internship Program. The goal of the program is to assist students from any accredited college or university who wish to serve an internship in different assignments within the Agency.

The internship position is an unpaid non-sworn position that will provide an opportunity for college students to gain hands-on experience in various aspects of law enforcement work. Hours are flexible to accommodate the student's academic and work schedule.

"We are delighted to have these young men and women with us for the summer," Sheriff Rick Staly said. "These students are able to gain valuable work experience, on-the-job training, and have an opportunity to develop a professional networking base for the future positions in public service or law enforcement."

While at the FCSO, interns will have the opportunity to job shadow in various sections of the Agency including the Youth Services Section, Police Athletic League, Civil Unit, Emergency Communications Center, Public Affairs, Court and Detention Services, Community Policing Division, and Homeland Security.
