FCSO Commander Philip Reynolds Graduates from FDLE's Florida Leadership Academy

Commander Philip Reynolds of the Flagler County Sheriff's Office graduated from the 43rd Class of the Florida Criminal Justice Executive Institutes' Florida Leadership Academy on January 11, 2019.

"I'm very proud of Commander Reynolds and his determination to continue to learn and develop as a leader," Sheriff Rick Staly said. "On behalf of our agency, we all wish to congratulate him on this achievement."

The Florida Leadership Academy is a four-week course held in Tallahassee, Florida, designed to prepare first line supervisors in criminal justice organizations to exemplify the character and integrity expected of criminal justice professionals. Graduates understand leaders as role models, and the importance of leaders as coaches, teachers, and mentors to other members of the organization. Participants in the Florida Leadership Academy learn the skills necessary to support the technical and administrative needs of their agency.

These skills include proactive problem solving, effective communication, and related leadership skills.

The Florida Criminal Justice Executive Institute, which is part of the Florida Department of Law Enforcement and is affiliated with the State University System, was established in 1990 by the Florida Legislature to address the need for an innovative and multi-faceted approach to the education and training of criminal justice professionals (www.fdle.state.fl.us).
