"I want to personally thank each and every volunteer for their dedication and hard work," Sheriff Rick Staly said. "In 2019 alone, these dedicated volunteers helped recover over \$223,653 for seniors in our county who have been victimized. In other cases, they assisted in laying the groundwork for a criminal case. Enough good cannot be said about the great work being done by the amazing volunteers involved in this program."

Seniors vs. Crime provides direct services to seniors in Flagler County who have been victimized by businesses or service providers. If a case is determined to be criminal in nature law enforcement takes over the investigation. In addition, the volunteers regularly conduct seminars on how seniors can protect themselves from becoming a victim of these crimes.
