continuing my volunteer efforts as Chairman of the Board and supporting the FSJR team as we ‘mend lives and heal hearts’ of our youth together.”

The Florida Sheriffs Youth Ranches was founded in 1957 and has been improving the lives of at-risk children through several Florida locations with their comprehensive programs. The Sheriffs Youth Ranches is credited with helping more than 165,000 children and families in Florida.

By utilizing the seven Youth Ranch locations throughout Florida, the Youth Ranches skilled and committed staff are well-equipped to develop young men and women who learn to face the future with a sense of direction, ability and confidence. Their mission is to support needy, neglected boys and girls, establishing a warm sense of well-being, safety and guidance.

Youth are cared for by “cottage parents” who help instill strong work values, integrity, quality, a sense of responsibility and building character, to ensure they are given the same opportunities as their peers for school attendance and extracurricular activity participation. The objective of the Florida Sheriffs Youth Ranches is to prevent delinquency and develop lawful, resilient and productive citizens.

Sheriff Staly also encourages our community to “Put a Star on Your Car” to show support of our youth by displaying a Florida Sheriff’s Youth Ranches specialty license plate.
