Accreditation Team Invites Public Comments about Flagler County Sheriff's Office

A team of assessors from the Commission for Florida Law Enforcement Accreditation (CFA) will arrive on August 24 to examine all aspects of the Flagler County Sheriff Office policies and procedures, management, operations, and support services. The Flagler County Sheriff's Office has to comply with approximately 240 standards in order to receive Accredited Status. Many of the standards are critical to life, health, safety issues and best practices.

As part of the on-site assessment, agency members and the general public are invited to offer comments to the assessment team. Citizens may review standards at <http://www.flaccreditation.org/standards.htm>.

Once the Commission's assessors complete their review of the agency, they report back to the full Commission, which then determines if the agency is to receive Re-accreditation. The Flagler County Sheriff's Office accreditation is for 3 years.

"Verification by the accreditation team that the Flagler County Sheriff's Office meets the Commission's standards is part of a voluntary process to maintain accreditation--a highly prized recognition of law enforcement professional excellence," Sheriff Rick Staly said. "We welcome and encourage the public's comments and participation in this process.

Sheriff Staly also serves as an appointed member of the Commission for Florida Law Enforcement Accreditation.
