FCSO Arrests Juvenile with a Firearm at Indian Trails Sports Complex

On Friday, September 10th, the Flagler County Sheriff's Office (FCSO) responded to a call about someone pointing a firearm out of a black Nissan sedan. Upon arriving at the Indian Trails Sports Complex, deputies located three juveniles.

Deputies smelled a strong odor of burnt cannabis coming from the concession stand area and located three backpacks belonging to the juveniles. Upon searching the backpacks, deputies located cannabis, a glass smoking bowl, and a firearm with two bullets loaded in the firearm's magazine. It was determined that Ryan Jackett (DOB: 2/13/2004) was the one who was operating the vehicle.

"This is another great example of 'see something, say something,'" said Sheriff Rick Staly. "A juvenile with a firearm is a recipe for disaster. I hope these kids realize the poor decisions they made and turn their lives around. Parents need to be the Sheriff of their homes and know what their children are doing before we have to be the Sheriff for you."

Jackett was placed under arrest and transported to the Sheriff Perry Hall Inmate Detention Facility without incident. Jackett is being charged with Unlawful Possession of a Firearm under 18 Years Old, Carrying a Concealed Firearm, and Possession of Marijuana 20 Grams or Less. He's been released to the custody of the Department of Juvenile Justice (DJJ).
