Operation "Winter Wonder Cells" Busts 24 Drug Dealers in Flagler County

The Flagler County Sheriff's Office (FCSO) 14-month investigation leads to the arrest warrants of 24 drug dealers. After a sweep this morning, FCSO's Operation "Winter Wonder Cells" resulted in 20 arrests. FCSO is still searching for the remaining four drugs dealers wanted in this operation.

Sheriff Staly joined his Special Investigations Unit (SIU) and the FCSO P.A.C.E. Unit to serve the felony arrest warrants this morning. Three arrests are still pending at this hour. One suspect remains a part of other ongoing criminal investigations. Some suspects of Operation Winter Wonder Cells had previously been arrested when search warrants were served at their poison peddling locations or were already in the Sheriff Perry Hall Inmate Detention Facility.

As of today's arrests, more than \$277,000 in narcotics have been seized in the operation. Among the controlled substances seized in the operation are Fentanyl, Heroin, Oxycodone, Cocaine, THC Oil, Methamphetamine, and Cannabis.

"These 24 poison peddlers have faced more than 160 felony charges combined over the course of their criminal activity," FCSO Sheriff Rick Staly said. "On the whole, these poison peddlers have been convicted 48 times. These drug dealers are now finding out what happens to drug pushers in Flagler County. If you are a drug dealer in Flagler County and we didn't get you this time you better watch over your shoulder as we will get you next."
