BUNNELL, FL – Several drunk drivers were among 7 arrests made last weekend by the Flagler County Sheriff's Office (FCSO) between 6am on January 27, 2023, and 6am on January 30, 2023. Over the weekend, deputies handled 868 calls for service along with 114 traffic stops.

"Deputies were able to get several impaired drivers off Flagler County roadways this past weekend before they could hurt or kill anyone," said Sheriff Rick Staly. ### **Sheriff Rick Staly Stops Impaired Driver on I-95**

On Friday night, a reckless driver was reported to FCSO Communications who was reportedly traveling northbound well below the posted speed limit on I-95. The driver was traveling in the center lane of I-95 between 25 and 30 miles per hour, posing a danger to other motorists on the highway.

Sheriff Rick Staly located the vehicle while on his weekly Friday night patrol and conducted a traffic stop. Contact was made with the operator, 19-year-old Asher Maduro. Deputies could smell the odor of burnt cannabis emanating from within the vehicle and Maduro presented with bloodshot, watery, and glassy eyes. While conducting a search of the vehicle, deputies located a green leafy substance consistent with marijuana which produced a presumptive positive result for cannabis containing over 0.3% of THC.

Maduro was subsequently placed under arrest for DUI and was transported to the Sheriff Perry Hall Inmate Detention Facility. Maduro was later released after posting \$250 bond.

## **Convicted Felon Arrested for DUI, Possession of a Firearm**

On Sunday, deputies conducted a traffic stop after witnessing a vehicle traveling approximately 70 miles per hour in a posted 45-mile-per-hour zone and failing to maintain a single lane – leaving the roadway and nearly striking a tree.

Upon making contact with the driver, later identified as Delilah Fennell, deputies noticed the vehicle's emergency brake had been engaged while the vehicle was operating and all four brakes were smoking heavily. As Fennell was looking for her driver's license, deputies observed a .380 caliber handgun in her purse. Fennell was found to be a convicted felon who had been convicted of Battery on a Law Enforcement Officer and on Florida Inmate Release Status for the same charge.

The Florida Highway Patrol responded and conducted a DUI investigation, and Fennell was additionally charged with DUI after testing nearly 3 times the legal limit on a breath test. She was transported to the Sheriff Perry Hall Inmate Detention Facility on charges of DUI over .15 1<sup>st</sup> Offense and Possession of a Firearm by a Convicted Felon and later released after posting \$3,500 bond.
