“Another poison peddler is in the Green Roof Inn after getting caught selling illegal drugs in our community. Hopefully, he will spend a long time in prison because of it,” said Sheriff Rick Staly. “Great job to our SIU and SWAT team who continue to combat illegal narcotics in Flagler County. Since he doesn’t want to change his life, we are going to force him to change it in prison. If you are a drug dealer in Flagler County, look over your shoulder and keep your eyes open because we are coming for your house and your drug business next!”
