The all-day event featured several roundtable discussions on issues Sheriffs are facing across Florida, Florida Legislative updates, and emerging trends and issues facing Florida Sheriffs along with FSA updates. Sheriffs and their Chief Deputies from 32 counties attended along with staff of the Florida Sheriffs Association and others.

“Florida has never been safer and that’s because of our hardworking Sheriffs and the teams they led along with the support of the Florida Legislature, Governor, and Attorney General,” Sheriff Rick Staly said. “It is my honor to serve as the Vice-Chair of the Florida Sheriffs Association’s Board of Directors. Our team was very honored to host the Sheriffs and show them our new state-of-the-art Operations Center. As Sheriffs, we are constantly sharing strategies and working together to make Florida safer. These meetings allow us to do just that.”

Founded in 1893, the Florida Sheriffs Association is one of the largest and most successful state law enforcement associations in the nation – unifying Florida sheriffs in purpose and voice for the protection of Florida’s citizens and visitors. A not-for-profit corporation, FSA membership is made up of the 67 sheriffs of Florida plus approximately 3,000 business leaders and 100,000 private citizens throughout the state who support Florida Sheriffs.
