Suspicious Incident/17-66518/ Intracoastal Waterway (ICW)/ Sector 111 /A citizen reported seeing a fire on a 25ft boat in the middle of the ICW. The complainant advised the fire was out but the boat did not have power. Deputy S. Williams was working, so a boat was launched in the ICW. Deputies checked the ICW for the boat in question; however, it was not able to be located. Local fisherman reported seeing a boat towing another boat going southbound through the ICW. The two boat towing companies did not tow the described boat. It is possible the boat the fisherman saw being towed was the disabled boat, but it was not able to be confirmed who it was that towed the boat in and where the boat was towed to.
