While units were attempting to locate the suspects they called into dispatch and stood by for law enforcement arrival at N Oceanshore Boulevard. Upon contact with S1 and S2 they advised they were trash picking and thought the bikes were being thrown away. Two beach cruiser's and one child's BMX style bike were located in the rear of the vehicle and appeared to be brand new. It should be noted that there were no other items located near the bikes to suggest the items were left for garbage as S1 alleged.
