CASE #	TYPE	LOCATION	SUMMARY
18-55080	Baker Act	Sycamore Street	Male was placed under a Baker Act without incident. Subject was transported to CTTU.
18-54999	Sex Offense	Franciscan Lane	Possible Juvenile Sex Offense. Ongoing investigation.
18-55046	Disturbance-Domestic	Whispering Pine Drive	RP stated her son's medication change is having an adverse effect. During the investigation, RP made reference to a physical disturbance between her son and his brothers yesterday. RP's son was TOT voluntarily to Halifax for evaluation. Follow up will be conducted with other parties, who were out of county, to determine if charges will be filed.
54983-18	Baker Act	Louvet Lane	Male taken into protective custody for Bake Act. Transported by CCTU
18-54996	Disturbance-Physical	Colechester Lane	RP advised he was working and his neighbors dogs kept barking, so he sprayed his hose over the fence, unable to see where he was spraying. He advised he then moved to where he could see in the neighbors yard and there was female holding a gun telling him "watch out". Contact was made with O1, who stated she was picking up her dogs with her right hand and holding her gun in her left (which is normal because of the wildlife that comes in her yard from the marsh behind her), when she got sprayed with water. She advised she did yell some things at the neighbor, but never threatened him. Neither party wanted to pursue charges.
18-55041	Disturbance-Physical	SR 100 Race Trac	Units responded to this location for a disturbance, including FD and Rescue. O1 had a head injury, refusing treatment, witnesses advised he may have been unconscious at one point, stating he was punched then fell and hit his head. O1 eventually went with Rescue Unit to FHF, with a deputy following. The other half of the disturbance had left prior to LEO arrival. O1 did not want to cooperate and refused a statement or any charges.
