CASE #	TYPE	LOCATION	SUMMARY
18-44996	Suspicious Incident	Ocean Crest Drive	Security called after finding a pool of blood in front of one of their 3rd floor elevators. Drops of blood were followed to room 328 and deputies were able to get the tenant to answer the door. The male advised that he fell when leaving the hotel bar and had trouble locating his room key when he made it to his door. The male did not realize how severe his facial injuries were (apparent broken nose, lacerations above eye and nose) and decided to go to bed. No foul play suspected.
18-44894	Battery	Zoffinger Place	O1 stated while her juvenile son V1 was riding home today on the bus, referred to as the "Duck" bus, three boys started picking on her son because they wanted to sit in the seat he was sitting in. O1 stated when V1 got home at 4:15 p.m., she observed a red mark on her son's cheek, and V1 told her one of the boys struck him.
