Trio of Thieves Arrested After FCSO Foils Car Burglaries in Progress

On August 11th, just after 2:30 AM, the Flagler County Sheriff's Office responded to Rymfire Drive in reference to a suspicious person call. Simultaneously, other FCSO deputies in the area were conducting directed patrols on Red Mill Drive when they observed two males run across the street and stopped them on Rymfire Drive as they were attempting to leave the area and return to their car parked at Ralph Carter Park.

Upon searching the area where the two suspects were located they discovered gloves, a digital camera, a female wallet and one Nike flip flop. Further investigation of the area revealed another female wallet and the matching Nike flip flop, leading deputies to believe there was at least one other suspect still in the area.

FCSO deputies set up a search perimeter in an attempt to locate a third suspect. Shortly after they spotted another male exit the wood-line on Red Mill Drive who was not wearing any shoes.

After questioning the suspects were identified as 16 year old Angelo Landry, 18 year old Wayne Williams, and 19 year old Willie Green. Willie Green had driven the trio to Ralph Carter Park with the intention that they all split up and attempt to burglarize as many vehicles as they could. Landry and Green are from Deland, FL. Williams resides in Bunnell, Florida.

"This is another outstanding job by our deputies," said Sheriff Staly. "They thought they could creep around in the middle of the night, steal people's property, and get away with it. But, unfortunate for them, we are always watching our neighborhoods and you are not going to just be able to hide in the woods. Let this be a lesson to thieves everywhere that want to prey on our hardworking residents; if you run from our deputies you will just go to jail tired... and possibly shoeless."

Angelo Landry was arrested for felony burglary of an unoccupied conveyance and criminal attempt to conspire. Landry was also charged with violation of misdemeanor probation. Landry was processed at the Sheriff Perry Hall Inmate Detention Facility and released to his parents after the Florida Department

of Juvenile Justice refused to hold him in detention.

Wayne Williams was arrested for felony burglary and contributing to the delinquency of a minor. Willie Green was arrested for felony burglary of an unoccupied conveyance, criminal attempt to conspire, and contributing to the delinquency of a minor. They are being held at the Sheriff Perry Hall Inmate Detention Facility on \$3,000 and \$5,500 bond, respectively.

All three suspects agreed to identify each of the vehicles they attempted to burglarize and all stolen property was returned to the owners.

FCSO also reminds residents to help prevent crimes of opportunity by always locking your cars and to not leave your property visible. See our crime prevention video at:
