This year, the Aftermath K9 Grant will award a total of **\$16,500** in grants. If the FCSO K9 Unit is awarded the Aftermath K9 Grant the money will be used for even more extensive training for all members of the K9 Unit and will help with the goal of expanding the K9 Unit. Communities nationwide will determine the top eight award recipients through popular vote.

“We have an incredible K9 Unit and this grant money would be put to good use in furthering their training,” Sheriff Staly said. “We ask that everyone log on to the Aftermath K9 Grant website and vote for FCSO so our K9 Unit can continue to deliver excellent service to the resident of our county.”

Voting for the Aftermath K9 Grant begins today and will close on November 2, 2018. Voting is easy and can be done by logging on to www.Aftermath.Com/K9Grant and filling out a submission form. You can vote every 12 hours beginning today through November 2, 2018. Votes will be tallied after the voting period ends and the winning K9 units will be announced on November 5, 2018.
