“Here we have a poison peddler who was already on probation, and he obviously didn’t learn his lesson because he’s selling drugs again so next stop should be state prison,” said Sheriff Rick Staly. “I want to commend our SIU, PACE team and SWAT team for their thorough investigation. Thanks to their persistence and dedicated work, another poison peddler was taken to the Green Roof Inn. I also thank those observant citizens who ‘saw something and said something’ about drug activity at this residence.”

Gibson was transported to the Sheriff Perry Hall Inmate Detention Facility, where he is being held without bond.
