### **Two Matanzas High School Students Arrested for Burglaries**

BUNNELL, Fla. — On April 9, Flagler County Sheriff's Office deputies arrested two Matanzas High School students, Mya Lynn Rogers, 15, of Palm Coast, and Allyson Oberland, 14, of Palm Coast, for burglarizing vehicles on school campus.

FCSO School Resource Deputies began investigating after a witness reported the incident to school administrators.

During the investigation, deputies learned that Rogers and Oberland intentionally skipped first period to break into vehicles parked behind the school. At the time of their arrest, Rogers and Oberland had several stolen items in their possession. Currently, one victim has been identified.

"We have zero tolerance policy for crime in our schools," said Sheriff Rick Staly. "I commend the witness for 'seeing something, saying something' about what they witnessed and the School Resource Deputies for taking swift action. Parents need to be the Sheriff in their homes and teach their kids that skipping class to commit auto burglaries is illegal and is not what school is for. These students are now facing felonies. Parents, talk to your children about the consequences of their actions, or we will when we arrest them."

Rogers was arrested for Burglary of a Conveyance - Unoccupied Unarmed; Larceny Credit Card, Unauthorized Use of Credit Card to Obtain Goods; and Petit Theft from a Motor Vehicle 2nd Degree. She was transported to the Sheriff Perry Hall Inmate Detention Facility for processing.

and Petty Theft from a Motor Vehicle 2nd Degree. She was also transported to the Sheriff Perry Hall Inmate Detention Facility for processing. The Florida Department of Juvenile Justice directed that both girls be released to their parents.

“We will not tolerate crimes of any kind on our campuses,” said Superintendent LaShakia Moore, Flagler County Schools. “An individual saw something suspicious and immediately reported it to school administration. We encourage all of our students, faculty and staff to follow the 'See Something, Say Something' practice. There is no tolerance for anything that interferes with safe learning environments, and we are committed to providing for our students.”
