BUNNELL, Fla. — Flagler County Sheriff's Office deputies made 11 arrests this past weekend between 6 p.m. on Friday, March 20, 2026, and 6 a.m. on Monday, March 23, 2026. Deputies handled 718 calls for service and made 120 traffic stops.

Career Criminal out on Bond for Drug Charges Arrested Again on More Drug Charges

On Friday evening, deputies arrested a frequent offender who was found to have multiple narcotics during a traffic stop.

A detective in the FCSO Problem Area Crime Enforcement Unit conducted a traffic stop on a vehicle on Pine Grove Drive in Palm Coast after it was observed committing multiple traffic violations. As the vehicle was pulling over to the side of the road, the detective noticed the subject in the front passenger seat reaching forward and moving around near the floorboard.

The detective and deputies made contact with the vehicle's three occupants and asked them to exit the vehicle so a K-9 could conduct a free-air sniff. While they were exiting the vehicle, deputies observed paraphernalia commonly used to roll marijuana on the floorboard.

The front passenger, identified as Adam Jordan, 41, of Bunnell, notified deputies he was in possession of a pocketknife, so they conducted a search to ensure he did not have any other weapons on him. While doing so, deputies discovered a case and small plastic bag in Jordan's pocket, both of which contained methamphetamine.

During a search of the vehicle, deputies further located more methamphetamine, a scale, and small plastic bags in various colors.

Deputies arrested Jordan for possession of methamphetamines with intent to sell, possession of marijuana (20 grams or less), and possession of drug paraphernalia. He was transported to the Sheriff Perry Hall Inmate Detention Facility, where he is being held without bond.

“This guy is a known offender, and yet he refuses to change his ways and is out trying to peddle poison,” said Sheriff Rick Staly. “As long as he continues to commit crimes and selling poison, we’ll keep arresting him. He’s been arrested over 20 times and was just released from prison a few months ago, and even in that short time he’s already been arrested twice. It’s time for him to go to back to prison again for even longer.”

At the time of his arrest, Jordan was out on bond while awaiting trial for a January arrest for possession of fentanyl, possession of marijuana (over 20 grams), and possession of drug paraphernalia. His bond has since been revoked.

Jordan has spent eight years in state prison following convictions for charges including sale of heroin, sale of drug paraphernalia, felony battery, and intimidating or forcing a witness. He was last released from prison in October 2025.

Jordan has been arrested over 20 times, with previous charges including aggravated battery with a deadly weapon, aggravated domestic battery, domestic battery with body harm, DUI, grand theft of a motor vehicle, possession of drug paraphernalia, possession of harmful new legend drug, possession of heroin, possession of marijuana, possession of methamphetamine, possession of a weapon by a convicted felon, resisting an officer without violence, and violation of probation.

At approximately 8 p.m., deputies conducted a traffic stop on Water Oak Road and Mahogany Boulevard in Bunnell on a vehicle for operating without a tag light.

During the traffic stop, deputies made contact with the driver, identified as Robert Girgis, 29, of Orange Park. While speaking with Girgis, a deputy noticed a makeshift bong and grinder inside the vehicle. Girgis stated he had a medical marijuana card; the deputy informed him the marijuana was not properly stored in the original dispensary container. During a search of the vehicle, deputies located a grinder, which was found to contain methamphetamine.

Deputies arrested Girgis for possession of methamphetamine and possession of drug paraphernalia. He was transported to the Sheriff Perry Hall Inmate Detention Facility, where he is being held on a \$3,000 bond.

“This guy made the mistake of trying to pass through Flagler County with drugs in the car,” said Sheriff Staly. “ I commend our deputies for looking past just a simple stop and finding drugs that resulted in a felony drug charge and a trip to the Green Roof Inn.”
